Mentorship Pilot

The image features a light blue, semi-transparent cityscape background. Overlaid on this are several dark silhouettes of people in various professional and industrial roles. On the left, a construction worker in a hard hat and a woman in a hoodie are visible. In the center, two men in business suits are shown in profile, one holding a tablet. On the right, a woman in a white lab coat is depicted. The overall composition suggests a focus on professional development and industry mentorship.
